F. No. 2-6/2022/BERH/NCH/63

Dated: 01/04/2025

The Chairperson/President/Registrar,
All State Homoeopathic Councils/Boards,

I am delighted to inform you that the National Commission for Homoeopathy along with the Central Council for Research in Homoeopathy and National Institute of Homoeopathy under the aegis of the Ministry of Ayush is celebrating World Homoeopathy Day 2025 at Mahatma Mandir, Gandhinagar, Gujarat on 10th and 11th April 2025.

The Commission is excited to announce the largest-ever gathering of homoeopathic students, practitioners, researchers, and academicians, set to take place in the beautiful state of Gujarat this year. This conference will highlight the three core pillars of अध्यान, अध्यापन, एवं अनुसंधान (Study, Teaching and Research) within Homoeopathy, showcasing its dynamic contributions to the field.

The event will focus on the vital connections between **Research, Education, and Practice**, which together play a crucial role in advancing knowledge, improving teaching, and enhancing professional practices. The Commission take this opportunity to emphasis your State Homoeopathic Council/Board members and practitioners, as this event will provide a valuable platform for in-depth discussions and collaboration at both the center and state levels. It is an appeal to percolate about this platform among your members/officials of your State Homoeopathic Council/Board and practitioners.
